Click “Next”
Enter the verification code that you received to your phone

Enter the verification code that you received in your Email

Select “Verify” then click “Next”.

* You will not be able to receive alerts or complete your registration if you do not verify at least one form of communication
Select “next” after you have been verified.
Enter your address to identify sites near you

Select “Next”

*If “Skip” is selected, you will be directed to the home page where you will need to manually sign up for alerts. We recommend that you sign up for at least one alert prior to completing your registration.
The map displays a 5 mile radius around the provided address.

Choose one or more site numbers of interest and scroll down to the corresponding site number.

Check the box on the left to start receiving alerts from that site(s).

Select “Continue to Site”
You have successfully completed the registration and sign up process. To manage your account, hover over “Login/Register” and select “Account Profile”
Select the “Alerts” tab to view and modify your selection.
